California Mixer Flight

Our tasting flight of 8 California Coastal Wines is the perfect WFH (wine-from-home) companion. Each bottle holds a large, 6-ounce pour of the finest vino around. We're not talking over-buttery Chardonnay, either. Our wines are hidden gems of all varietals, hailing from boutique, family-run vineyards from our state's top regions.

Wild Child Flight

At the intersection of discovery and quality, our Wild Child Flight has arrived! Comprised of 8 less traditional wines you'll be sure to love. Enjoy this kit on your own, or book a complimentary virtual tasting and one of our guides can lead your palate on this wild journey.

United Grapes of America

We're beyond excited to bring you the first ever tasting flight showcasing wines from vineyards from across the U.S. The United Grapes of America features a riesling from upstate New York, a roussanne from the Texas High Plains, a petit verdot from Virginia, plus a few more surprises.
