

How would you like to purchase quality products that offer real cost savings?

You can start with sustainable products — KARL STORZ reusable straight blades.

Get real cost savings with our UNIDRIVE® S III ENT System and reusable straight shaver blades!

Used with the KARL STORZ UNIDRIVE® S III ENT Motor System and DrillCut-X® II Handpieces, our 2mm, 3mm and 4mm reusable straight shaver blades offer significant potential annual savings.

If you average just 3 cases per week, or 156 cases per year, you gain a total annual savings of \$21,816 with reusable blades over the typical competitor's disposable blades.
