

## **GUIDE TO THE EXHIBITS**

Hello, EMPOWER U Participants. We are so excited you are here with us today! This day could never have happened though without our sponsors. These sponsors and our other exhibitors have so much valuable information available to you and not only can you access it today, but you will be able to access all of their information for the next year. So, if you do not get there today or want to revisit a booth, it is available for you to do so. We encourage you to visit all of the exhibits, but here is some information to guide you as you tour.
