We look forward to your participation in this program. Thank you!

This program is open to appropriate US healthcare professionals only and is not to be recorded in any format. This program is a promotional program that discusses a treatment option and is sponsored by Greenwich Biosciences, Inc. This program does not qualify for Continuing Medical Education Credit (CME). In accordance with PhRMA guidelines, guests/spouses are not permitted to attend. This invitation is non-transferable. Greenwich Biosciences is required by law to record and report transfers of value (e.g., meals, expenses, consultant fees) provided to you in connection with a Greenwich promotional program. Meals cannot be provided to physicians and other healthcare professionals licensed in Vermont or other states where gifts and meals are prohibited, or to federal government employees.
